

## “Pastoral Care”

### I. MINISTRY TO THE \_\_\_\_\_.

*“admonish the idle”*

#### A. Who are the “idle”?

Some became “unruly” by their idleness (2 Thes. 3:6) and some by teaching wrong doctrine—one led to the other?

#### B. What does it mean to “admonish”?

1. You appeal based on \_\_\_\_\_ instruction.

2. You appeal through great \_\_\_\_\_ and \_\_\_\_\_.

3. You appeal with the weight of p\_\_\_\_\_  
r \_\_\_\_\_ (1 Cor. 4:14).

Don't fear getting “personal.” *“Admonish as a brother”*

### CONCLUSION:

You and I should love Christ by loving his church. One of the ways we do that is by *“admonishing the disobedient”*—dealing with those in the body out of step and in need of correction.
