

## “Worship God Loves”

David emphasizes worshipping God by engaging the whole being. Engage God with your whole heart, with passion and deep feeling!

### I. COMES FROM A HEART THAT \_\_\_\_\_.

- A. \_\_\_\_\_ love. (Ps. 42:1)
  
- B. Unequaled \_\_\_\_\_. (Mt. 22:37-39)

### II. COMES FROM A PEOPLE WHO \_\_\_\_\_.

- A. This is far more than \_\_\_\_\_  
and \_\_\_\_\_.
  
- B. This is our \_\_\_\_\_. (Rom. 12:1)

### CONCLUSION:

1. While we are to adore Christ through the week, we are also to gather regularly for distinct acts of worship and praise.
2. Christ loves his church and is glorified and honored when we lift up his name and exalt him together.

“Whoso offereth praise glorifies me (Ps. 50:23) Though nothing can add the least mite to God’s essential glory, yet praise exalts Him in the eyes of others. Praise is a setting forth of God’s honor, a lifting up of His name, a proclaiming of His excellent goodness, a release of the sweet perfume of God’s name which is sent abroad into the world.”
